OFFICE OF LEGISLATIVE COUNSEL

Friday - 30 October 1964

1. [redacted] Handcarried to Mr. John Sullivan, Administrative Assistant to Senator Daniel Brewster (D. Md.), Legislative Counsel response to the Senator's letter of 23 October concerning the employment application of [redacted]

[redacted]
Mr. Sullivan thanked me for coming by and indicated that our consideration of this case would be appreciated by the Senator.

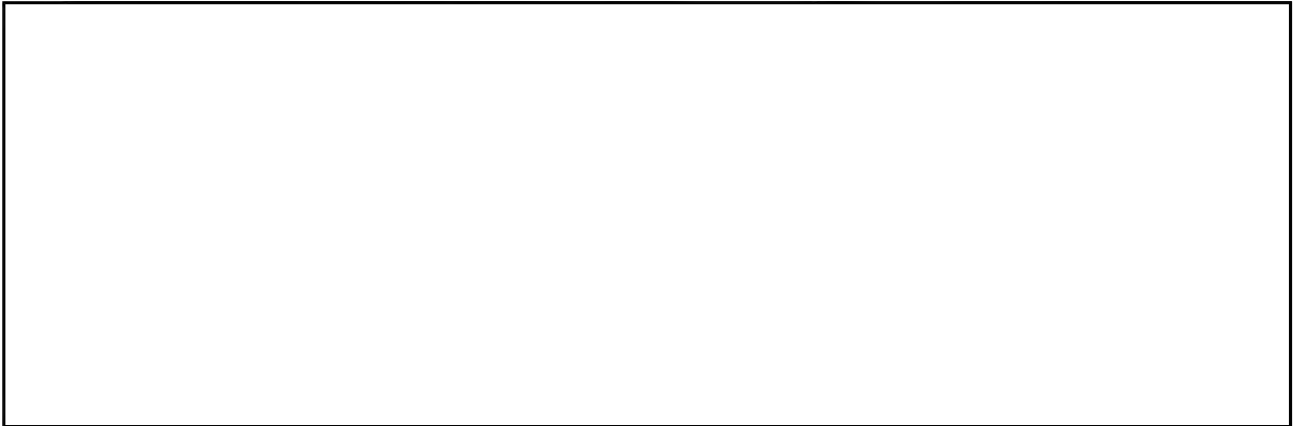

4. [redacted] I again contacted the office of Micah Naftalin, House Committee on Government Research staff, regarding the Committee's request for information in connection with its study of Government security clearances. I made it clear that we were not pressing the staff but wanted to be sure they understood we were prepared to discuss this matter with them at their convenience.

25X1 6. [redacted] Handcarried to William Berg, Administrative Assistant to Senator Wayne Morse, Mr. Warner's letter responding to an inquiry from the Senator concerning Agency employment of blind persons. I chatted with Mr. Berg on the problems involved which he could appreciate. He read the letter and said he felt it was a very thoughtful response. He will send it along with a transmittal letter to the college professor involved.
